

Unified Meeting 5

Complete Meeting Management

Unified Meeting® 5, a meeting and collaboration application enhances the way you communicate by making meetings convenient and easy to manage.

It improves your meeting experience with intuitive and powerful productivity enhancements in a hosted service that is integrated with the tools you already use every day.

Complete Meeting Management

Available for  

Available for download or to run in your browser, Unified Meeting 5 turns your meeting into an integrated experience that adds impact to your message, increases meeting participation and gives control with a click of your mouse.

Scheduling

Stay organized with Outlook, Mac, Google and Lotus Notes calendar integration and schedule meetings with ease. No need to manually add connection information.

Start and Join

Use our state-of-the-art hybrid audio capabilities and connect easily to your meetings with Call Me, dial-in or Voice over IP.

Voice over IP

Connect with Voice over IP with tunneled connections when behind a firewall. Facilitate meetings from more locations and devices.

Meeting Control

Ensure your meetings are on track by muting participant lines to reduce unwanted background noise; know who is speaking during your meeting with Active Talker and increase security by locking your meeting room.

Sharing

Share files, applications or PowerPoint presentations to add impact to your meeting.

Desktop Video

Add an additional layer of personalization and feel like you're in the same room by sharing your webcam

Sub-Conferencing/Break-Out Rooms

Create spaces for private conversations, small work groups or sidebar discussions – no extra set up required!

Chat

Add a level of communicating between you, participants and their peers with the in-meeting chat feature.

Social Media

Get to know your participants by having them integrate their Facebook or LinkedIn information to their personal presence and avatars.

Branding

Customize the look and feel of Unified Meeting 5 by using your organization's logo and colors to further drive home your message and maintain your brand strategy. *(Additional charges apply, contact your sales representative for more information.)*
